

B.L. Harbert International, LLC

August 11, 2011

Reference: Letter of Recommendation

To whom it may concern,

We have been working with The Sack Co. / SCM of Statesboro, GA, for approximately 10 years. Over this time they have successfully completed four projects for B.L. Harbert International totaling approximately \$12 million dollars in which they performed Electrical, Mechanical and Plumbing work. All of their work was performed safely, with quality and in a timely manner. All of these projects were located in the South Eastern United States.

The Sack Co. / SCM are currently performing Electrical, Mechanical and Plumbing work for B.L. Harbert International at our projects in Fort Benning, GA and Fort Jackson, SC, and to date they are performing well.

We would not hesitate in using The Sack Co. / SCM in the future; therefore, we would recommend them to you.

Please feel free to call me if you would like to discuss The Sack Co. / SCM further.

Sincerely,

Jackie Stevenson

Vice President

B.L. Harbert International, LLC.
